

# Environmental Scholarships

Clean North and Shaw have come together to provide Algoma District youth with scholarship opportunities to help make the future brighter together (learn more about how Shaw is supporting communities and the environment [here](#)). We will be awarding two \$500 scholarships (one university and one college) to graduating high school students who will be attending an environmental education program at an Ontario-based university or college.

## Scholarship Objectives

- To promote environmental awareness, education, and stewardship among Algoma District youth and encourage a new generation of environmental stewards for our region
- To encourage and provide financial support to graduating high school students enrolled full-time in the first year of an Ontario-based university or college program

## Selection Criteria

- ★ Graduating from a high school in Algoma District in 2022
- ★ Good academic standing (not on probation/suspension)
- ★ Accepted/enrolled full time in an Ontario university or college environmental program for the 2022-2023 academic year
- ★ Record of some community service/extracurricular activities
- ★ Reference information from a teacher or supervisor
- ★ Application fully completed/returned by June 5, 2022

## Application Process

1. **Complete the application form**
2. **Assemble the following documents** as a PDF/PDFs:
  - Application form
  - Current resume including community service/extracurricular activities
  - Recent academic transcript signed by the school principal
  - University or college letter of acceptance into an environmental program
3. **Email these documents to [info@cleannorth.org](mailto:info@cleannorth.org) by no later than June 5, 2022.** Direct the email to Attn: Clean North Scholarship Committee.

## Questions?

Email us at [info@cleannorth.org](mailto:info@cleannorth.org), Attn: Clean North Scholarship Committee.

# Environmental Scholarships

## Application Form

<b>Name</b>	
<b>Address</b>	
<b>City and postal code</b>	
<b>Primary phone no.</b>	
<b>Email address</b>	
<b>High school name</b>	
<b>Reference name (teacher/supervisor)</b>	
<b>Reference contact information (phone number, email)</b>	
<b>Ontario-based university/ college you're enrolled at</b>	

In 150 words or less, please describe why you feel working in the environmental field is important:

## Application Checklist

**Have you assembled and submitted all of the following items as part of your application?**

Completed application form

Current resume including community service/extracurricular activities
